

Drop Out Box

Ordering Information

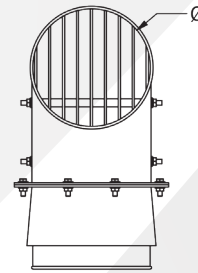

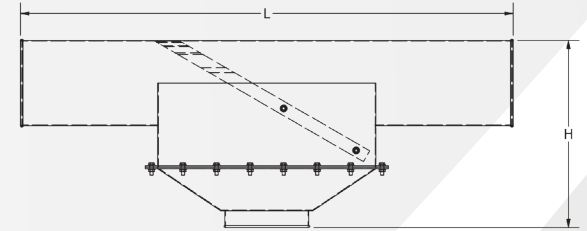

- When ordering, specify material, gauge (if non-standard), dimension and end style.
- The Drop Out Box stops large wood chips in the airstream. Inside the duct, deflectors knock chips downward into the builtin hopper.

Ø in.	Length in.	Height in.	Std Weight Lbs
6	44	20.25	60
7		20.75	64
8		21.25	69
9		21.75	75
10		22.25	80
11		22.75	85
12		23.25	89
14		24.25	96
16		25.25	106
